Vikram A Sarabhai Community Science Centre

Vikram A Sarabhai Community Science Centre (VASCSC) is a pioneering institution, working in the field of science education since the past four decades. Its mandate is to stimulate interest, encourage and expose the principles of science and scientific method to the community.

The Centre has developed a wide range of Teaching Learning Material (TLM), especially for teachers and students, over the years. The TLM develops curiosity and interest for learning science and mathematics by demonstrating that 'Science is Fun'. These informative products can be used in schools or homes and also make up exciting gift items. These products are available at the Centre's Science Shop round the year.
